WIFE AND MATE DECLARE AID CAME AS BLESSING

St. Louis Couple After Many Years of Hardships, Given Prompt Relief Through Tanlac.

TRoubles ARE NO MORE.

Both Say They Have Improved Daily Since Taking New Medicine and Are Feeling Fine Now.

ST. LOUIS, Mo., July 31. — "I can say to anybody in the world that Tanlac has been a real blessing to my husband and to myself," Mrs. Mary Hurst, who lives at 1227 North Twelfth street, declared recently. "I suffered from stomach trouble, indigestion and nervousness," Mrs. Hurst continued. "My appetite was very poor. After eating the most delicate food I would be troubled with gas and bloating. Every bone in my body ached at times. I could not rest well at night and the loss of sleep was so great it brought on a general run-down condition.

"Since taking Tanlac, my indigestion has entirely disappeared. My appetite is fine. I can eat anything I want. My nerves are stronger. I don't suffer with the aching any more. My rest is fine at night. I sleep like a child.

Referring to her husband's improvement, Mrs. Hurst had the following to say: "Mr. Hurst broke down in health four years ago. He suffered from rheumatism and neuritis. He received many different treatments and tried many little pills. Finally, he agreed to give Tanlac a trial. Tanlac made him feel better than he had for months. He has improved daily since he started taking the new medicine. Tanlac has placed him on his feet."

Tanlac is especially beneficial for stomach, liver and kidney trouble, catarrhal complaints, rheumatism, nervousness and the like and is a fine tonic. Tanlac is now being especially introduced and explained in Mexico at Buckner's Drug Store. Adv.

Mit Householder says that the recent hail storm cost him \$1,000 in damage to his oats and corn crops. He refused to state whether he blamed the hail storm on the Democratic administration or not.

The records of J. F. Llewellyn show that this June had 17 clear days, and 13 cloudy days, as compared with 13 clear, 16 cloudy and 1 partly cloudy for June, 1915.

The rainfall for the month of June this year was 3.37 inches as compared with 8.01 last year. June 6, 1916, 1.16 inches of rain fell, while on June 21, last year 2.11 inches fell.

The warmest day of the month, this year was on the 13th, when the thermometer registered 94 and the coolest day was the 6th and 7th when the mercury stood at 51. Last year the sixth was the warmest with the temperature of 91 and the coolest was the 8th with a mark of 44.

Last year June had 11 thunderstorms and rain on 15 days, while this year there were only five thunderstorms and rain on but 9 days.

The heavy rain Monday brot with it a severe hail storm in a section north of this city. The storm was about a mile wide and extended from the Bob Powell farm to that of Frank Harris. Some of the farmers report 50 per cent of their corn and oats heavily damaged. In some instances they are straightening the corn up, the leaves being imbedded in the mud.

Among those who suffered most were Plate Bros., Harry Householder, A. N. Day, and W. A. Paulin.

Bernard Sellers, wife, and Arnold Stuart visited Mr. Gillis and family of Randolph County, Mo. They had a nice trip there and back in their automobile. — Ezra Phelps and wife visited relatives on the Walk Friday, Saturday and Sunday. — Cutting cuts the order of the day. Some are cutting their meadows. — We are needing rain very badly now. Gardens are burning up, and corn is suffering. — C. H. Dickey, Archie Dickey, Harvey Stuart and C. D. Allison went on a fishing trip near Santa Fe. They report fine luck, catching one that weighed about sixty pounds, and about one hundred and fifty pounds in all.

THIEVES WORKING.
The thieves are still at work in Mexico. Sunday night one broke into Robertson's Hardware Store on the east side of the square and took two revolvers and two watches. From the disappearance of their work, the thieves were amateurs. They got into the store by breaking the glass in the rear door with an old monkey wrench.

Humphreys Craddock, suspicious that some one was in their store on Sunday night also. The window at the back of the store was found partly open Monday morning and things in the store appeared to be messed about, but the only thing that could be missed was possibly a box of cigars.

Miss Evelyn Threlkeld, of Mexico, visited relatives here the past week. — The young folks enjoyed a lawn party Thursday night at the home of Ralph Watson. — The Presbyterian Missionary Society entertained the societies of the other churches with a talk from Rev. Yates, who is now home on a year's furlough from China. — Friday Mrs. Fannie Davis had the Methodist ladies for an all-day session at her home north of town. — Mrs. John E. Tyler is home from Palmyra. — Frank Kelso and Lela Lake, of Mexico, came out on the train Wednesday and drove Mr. Kelso's car home, which had been newly painted by John Maries, in the La Crosse colors. — Mrs. Edgar French is up after a week's illness. — Mrs. Sam Hatcher was painfully bruised last Sunday when a car in which she was riding stopped suddenly, throwing her against a coat rack. — E. B. Campbell and daughter were called from Fulton Friday to Mrs. Campbell, who was in a critical condition, caused by trying to help take her father, Tom Fry, from his burning home, which was totally destroyed by fire Friday. Had it not been for Mrs. Kidwell and her daughter, and Dr. Hume, who were there at the time, Mr. Fry, who has been ill for two months, would have succumbed to the flames, as they were at the foot of his bed when they finally dragged him out. — Mrs. Wm. Bradley is the champion produce lady of this vicinity, having sold \$893.94 worth of produce this year. — Mrs. Gene Kidwell will occupy the Hassel place as soon as there is some change in his father, Tom Fry, who is very ill, and was taken to the home of Mrs. Eva LaFon from their burning home Friday. — Clay Duncan, of Kansas City, joined his wife here Sunday; Mrs. Duncan is visiting her parents, Mr. and Mrs. Frank Buckner. — Mr. Shurman shipped a car of beef cattle to St. Louis Monday. — Saturday night is candidate night as the candidates speak on the street at 7:30. — Bernard Cowles, Harry Hatcher and Obie Wright left for St. Louis Wednesday by motor, to bring back several cars. — Mrs. Hudson's house, north of town, was slightly damaged by fire Monday.

Mr. and Mrs. Lester Miller gave a delightful four-course dinner Sunday evening on the lawn at the Miller home for number of their friends. The feature of the evening was a farce announcement of one of the couples. Those present were Misses Ruth Clark, Georgia Miller, Lelia Winans, and Anna Williams; Messrs. Ray Miller, Nesbit Livingston, Donald Addis and Charles Guthrie.

THE BETHEL PICNIC.
Held at Fisher Bridge on July 4th—Big Crowd There.

The annual picnic of the Bethel Sunday School was held at the grounds near Fisher bridge, on the Fourth, and as usual, was a delightful occasion. About two hundred were present to listen to the entertaining program and partake of the bountiful dinner. A resident of Mexico, who was one of the invited guests, asked whether visitors would be expected to contribute anything to the menu; but after seeing what Bethel had done, concluded that the suggestion was not in order.

The singing of devotional and patriotic songs by the school, the various classes, quartets, trios, "speeches" by the little men, recitations by the morning, the impromptu, but helpful remarks of Brothers Ward, of Sedalia, and Cunningham, of Mexico, were well received and much appreciated, and it is hoped that these brethren will not allow this to be their last visit. Miss Leona Fisher made some happy hits that were very greatly enjoyed. The efforts of the little tots brought down the "house" and the part songs were sweetly and effectively rendered, only proving what the young people of the community could do if they were under the instructions of a competent teacher of vocal music.

The afternoon was devoted to games, races and conversation. It is not known certainly whether Cupid was present or not; if he was, his bow and arrow were not in evidence; if he was not, he missed a fine opportunity.

Among those present from a distance, not already mentioned, were: Rev. J. E. Kerr and family, Dr. Drake, Mr. and Mrs. John Cowherd, Miss Amy Cowherd, Mrs. H. B. Barks, Miss Mary Barks, Miss Bledsoe and grandson, Clark; Misses Cassie and Benson; Mrs. Anna Heizer, Miss Beulah Crawford, and Lela Fisher; Mr. John Fisher and family, Mr. Marian Riley and daughter, Mr. and Mrs. Lon Ware, of Chicago; and Mr. Jim Ware, of Kansas.

The only sad reminder of the occasion was the absence of members and friends, Mr. W. H. McCune and family, Mr. and Mrs. Dave Armstrong, and little sons, Mr. and Mrs. George Wilson, Mr. and Mrs. Fred Henke, and Pearl and Edward; Mrs. Gray Wilson and her mother who was sick; Mr. and Mrs. Edgar Martin and little son; Mr. and Mrs. Hofreither, and Bethel's oldest member, Mr. Joe Armstrong, who has been living on borrowed time sixteen years. The most of these were absent because of the infirmities of age and sickness, and all for providential reasons.

May health and strength be the happy lot of all when the next 4th rolls around.
